NOTES

1. There will be a meeting for all chaplains convened by the Chaplain General during one of the information/education periods on Friday morning. The meeting will take place a meeting room situated on the 3rd floor of the Bioscience Complex.
2. Transportation will be provided between accommodations and activity venues. A separate bus schedule will be made available to attendees.
3. Mantles can be left on the busses during activities where they are not required. (Remember which bus you were on!)
